To Who it may concern:

I would like to introduce to you Dale Ratzlaff. Dale is an ex- Seventh Day Adventist Pastor who has been liberated from the law and is now preaching where ever the Lord leads him that, "*The Lord is the Spirit and where the Spirit of the Lord is, there is liberty.*" (2Cor. 3:17)

Dale has a great testimony of how he and his wife left the SDA church and was placed on a path to *study to show himself approved unto God.* As he searched the scriptures to understand the Word and not simply to defend the SDA theology, the Lord opened his eyes to see clearly; and increased his heart to spread the Word to the thousands who are being led astray.

Knowing the background and theology of the SDA church, and now looking at the old covenant through the eyes of the new covenant; Dale is a great apologist, author and teacher. He has written many books that have served as tools to equip the saint and free the prisoner.

I met Dale in Roseburg, OR August 2009. where he was teaching post SDA congregants the freedom they now have in Christ and training the local church leadership how to not only defend the faith against the SDA, but how to care and nurture someone who is coming out of that organization.

I would highly recommend Dale to lecture at any church fellowship or group meeting to equip and encourage the saints. If you would like more information, please visit his website at: www.ratzlaf.com or feel free to contact me any time.

May the Lord richly bless you,

Pastor Dave
